

FIG. 2B

Figure 3 shows a schematic diagram of a rectangular domain with a central square hole. The domain is divided into four quadrants by a vertical line and a horizontal line. The central square hole is also divided into four quadrants. The top-left quadrant of the hole is labeled '1', the top-right '2', the bottom-left '3', and the bottom-right '4'. The top-left quadrant of the outer domain is labeled '5', the top-right '6', the bottom-left '7', and the bottom-right '8'. The central square hole is labeled '9'.
